

BulkMarketAI

Publish Multiple Product Listings to Facebook Marketplace

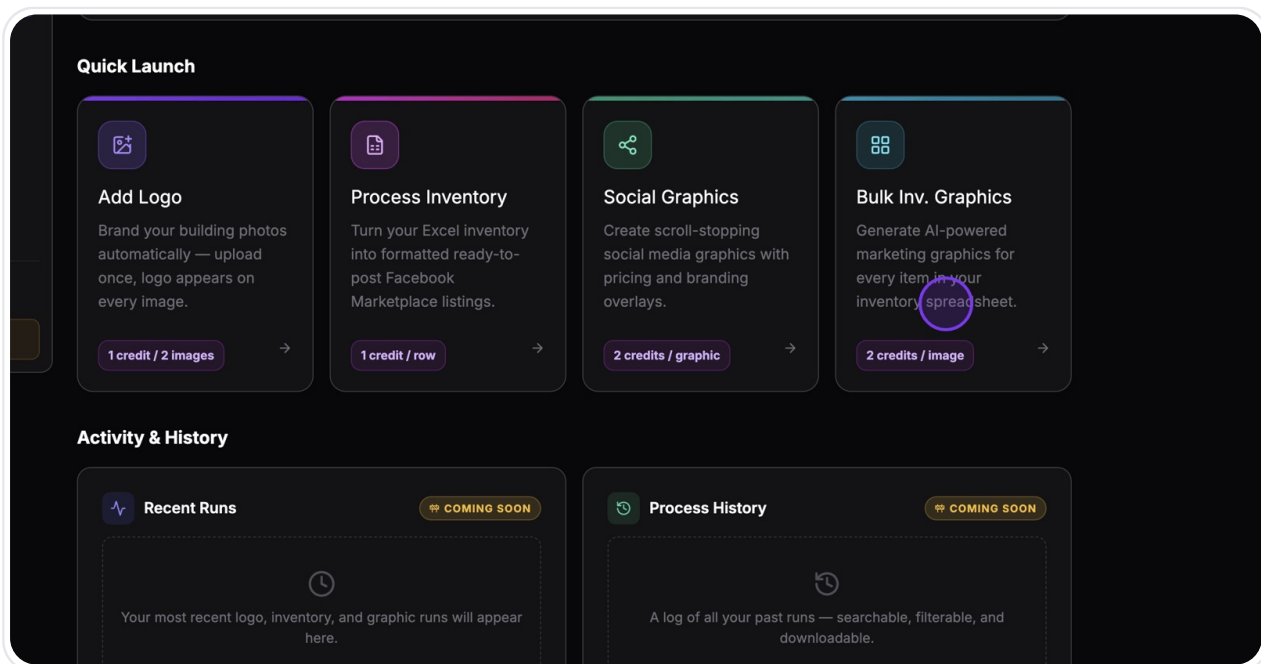

1. Start with -Add logo- to Boost your brand by adding Logo to all product images.

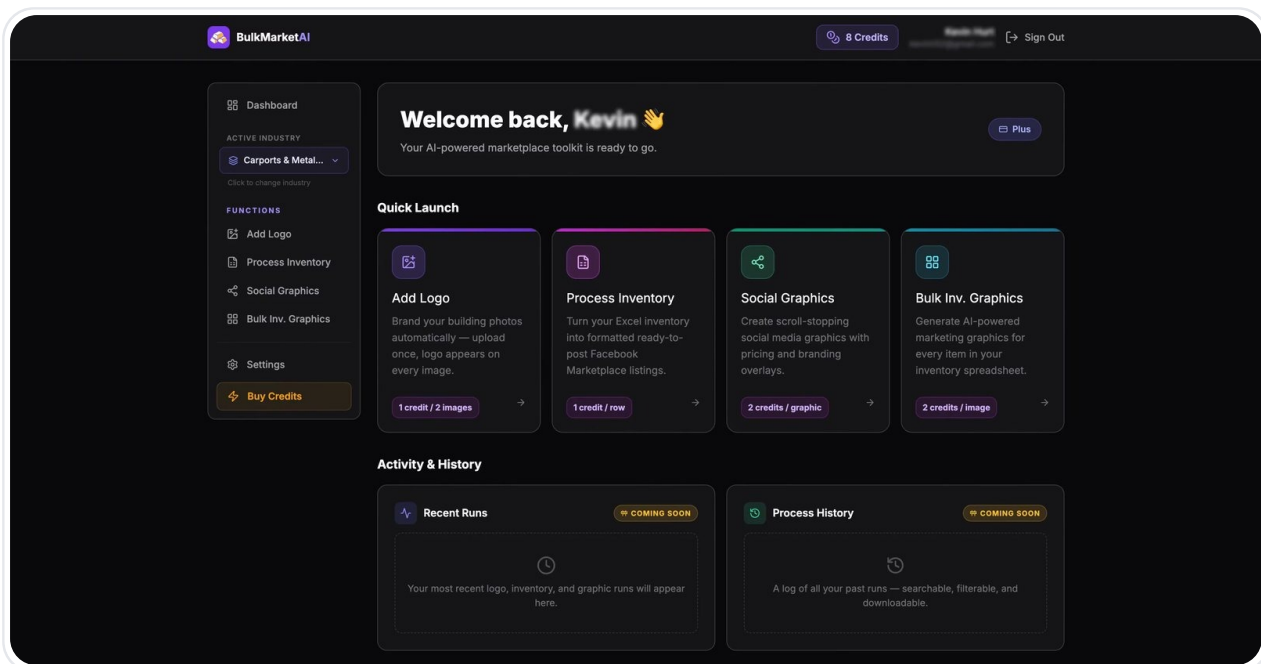

2. Next choose 'Process Inventory' to quickly turn an Inventory Excel file into sales converting marketplace listings.

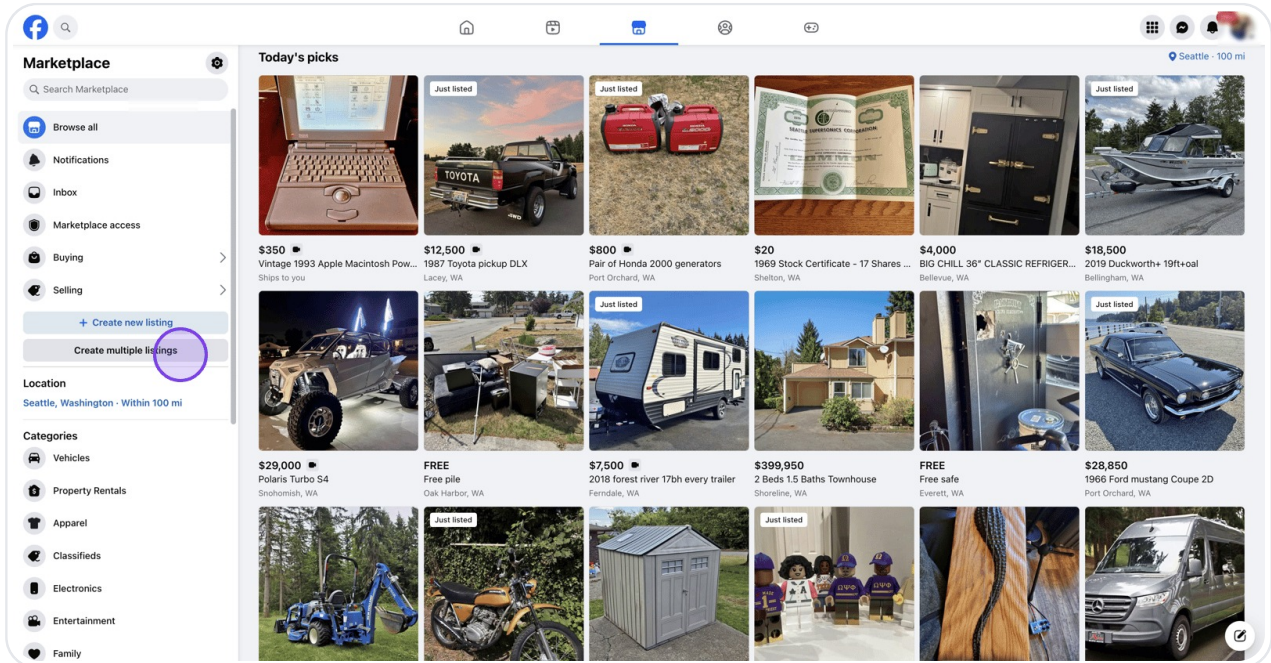

3. Last step to get all items in place. Take your best image of each product that has your logo. Use 'Bulk Inv. Graphics' to generate a showcase scroll stopping graphic for your entire inventory in just one click.

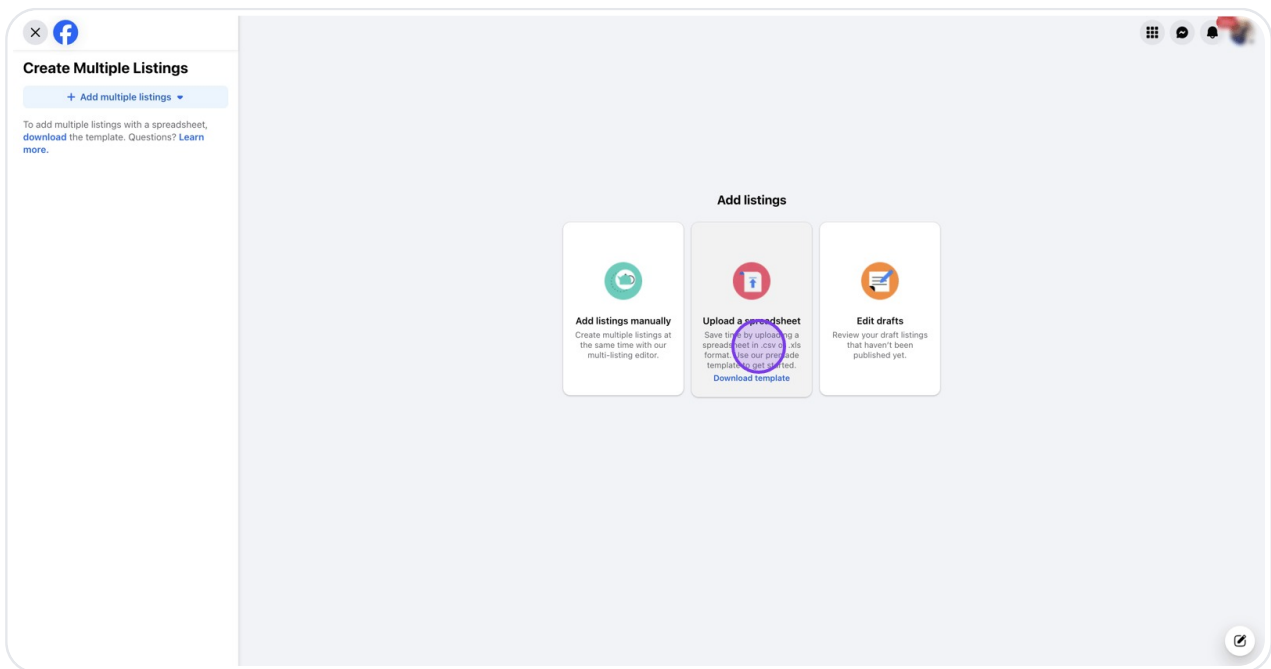

4. Navigate to Facebook Marketplace. 4

5. Hit 'Create multiple listings' to add all your products to Facebook Marketplace at once.

6. Upload a generated process inventory spreadsheet to save time while adding multiple listings.

7. Select specific listings for editing.
